RE: Intent of Award

Dear Becky,

Last night the Board of Education approved Adams County School District 14 awarding the E-Rate Access Layer Switches (ITB # 1516-103) to Root Group for;

101 quantity Brocade Switches (ICX6450-C12)
6 quantity Brocade Switches (ICX6450-C24P)
9 quantity Brocade Switches (ICX6450-C48P)

Contingent on two things;

1. Award of E-Rate funding by the Universal Service Administrative Company (USAC) and,
3. Root Group bills USAC direct for their funded portion and the balance billed to Adams 14.

Shortly after receiving the USAC award notice, a Purchase Order will be issued to support future invoicing as per the ITB and proposal.

If you have any questions please feel free to contact me.

Regards,
